

Device type: **APB-210**

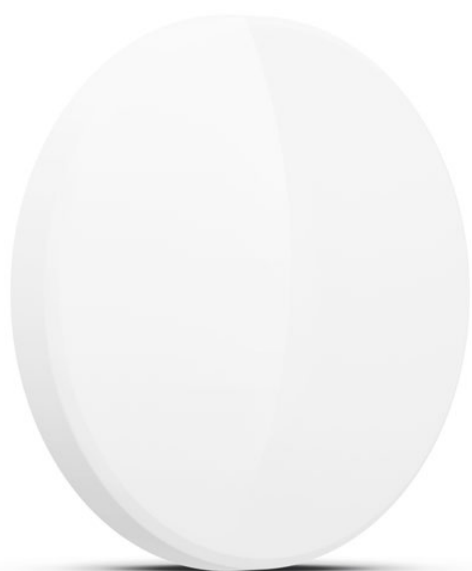

## Smart Button

Button that is worth having on hand. Stick it or place it wherever it is most convenient for you. You can quickly activate selected smart home functions, trigger an alarm or call for help.

- control by button:
  - ❖ single press
  - ❖ double press
  - ❖ triple press
  - ❖ long hold
  - ❖ release
- operation in the 868 MHz frequency band
- AES encrypted two-way radio communication
- transmission channel diversity – 4 channels for automatic selection of the one that will enable transmission without interference with other signals
- remote settings programming
- remote firmware update
- battery status control

Operating frequency band .....	868.0 MHz ÷ 868.6 MHz
Battery .....	CR2032 3 V
Battery life expectancy .....	up to 3 years
Standby current consumption .....	5 µA
Low battery voltage threshold .....	2.6 V
Environmental class according to EN 50130-5 .....	II
Operating temperature range .....	-10°C ÷ +55°C
Maximum humidity.....	93±3%
Dimensions .....	ø50 x 13 mm
Weight .....	17 g

Compatible with  
**abax2**  
wireless system

**APB-210**
